

Premium Plan

Make the internet a safe place for you and your loved ones.

Do you shop online, connect to WiFi, or own a smartphone or tablet? If so, you need Aura to protect the things that matter to you the most: your identity, money & assets, family & reputation, and privacy. Aura provides you and your loved ones with a digital security benefit that's **simple** so it's **easy** to stay **safe** online.

The average consumer's digital activity puts them at risk.

Meet Aura, the new standard in digital security.

Aura will let you know if your online accounts and passwords are at risk, and work with you to keep them safe. If changes to your credit or bank accounts are detected - or if there is suspicious spending activity on your accounts - you'll receive real-time alerts and have a dedicated Case Manager to work with you to resolve it. Aura also gives you the confidence to steam, shop, and bank online privately and securely with military-grade encryption and powerful antivirus protection. Plus, every member is backed by \$1M insurance* to cover eligible losses and fees due to identity theft and fraud.

Identity

We have the fastest alerts with direct 3 bureau integration and AI-driven technology.

Network/WiFi security

We offer the fastest connection speeds and broadest coverage.

Privacy

We provide automated, proactive list removal and masked data for extra protection.
