

Student Loan PayDown

Gradifi by E*TRADE's Student Loan PayDown benefit can help you **potentially cut years off your student loans and save thousands** with the help of your employer's contributions.

Your employer will contribute up to \$3,000 to your student loans.

Monthly Employer Contribution	Annual Employer Contribution
\$50	\$600

*Please reach out directly to your benefits or HR department regarding questions about your employer's Student Loan PayDown program design.

When applied to the principal of your loan, your employers contribution saves you even more on interest!

Getting started is simple:

1. Create a Gradifi account by entering a few details about yourself through your unique email invitation
 2. Enter your loan information into the Gradifi platform
 3. Gradifi will send your employer's contributions, as set by their plan design, directly to your student loan servicer(s)
 4. Be sure to continue making your own monthly student loan payment requirement as stated by your loan servicer(s) to reach the full impact of your employer's contributions!
