

# FanDuel Employees: Your Mental Health Matters. We've Got You Covered.

Every FanDuel team member and their family has access to confidential, professional mental health support through Kindbridge Behavioral Health—at zero cost to you. Whether you're dealing with stress, anxiety, or concerns about gambling, gaming, or other behaviors, expert help is just a click away.

## Expert Support When You Need It Most

Life throws challenges at all of us. That's why FanDuel has partnered with Kindbridge Behavioral Health to provide you and your family with professional mental health support—completely free of charge.

### Our licensed therapists specialize in:

- Gambling and gaming-related concerns
- Anxiety and stress management
- Depression and mood disorders
- Behavioral health challenges
- Family and relationship support

Best of all? You can access care from anywhere through secure video sessions that fit your schedule.

## Comprehensive Care Designed for You

As a FanDuel employee, here's what's included in your free mental health package through Kindbridge:

### • Personalized Care Journey:

- » Professional assessment and diagnosis
- » Custom treatment plan based on your needs
- » Up to 5 free counseling sessions
- » Seamless coordination with your FanDuel health benefits if needed

### • Specialized Support for Various Challenges:

- » Problem gambling support
- » Gaming-related concerns
- » Digital wellness (social media, internet use)
- » Shopping and impulse control
- » Relationship challenges

### • Complete Family Coverage:

- » Your partner and dependent children receive the same comprehensive benefits—because supporting one family member means supporting you all.
